In the event that Taxpayer fails to satisfy the Milestones identified in Exhibit A in the taxable year associated with those Milestones, the allocated portion of the Credit will not be considered earned in that taxable year. CALIFORNIA COMPETES TAX CREDIT – FRANCHISE TAX BOARD REVIEW OF BOOKS AND RECORDS TO ENSURE COMPLIANCE WITH THE WRITTEN AGREEMENT -- GUIDELINES AND PROCEDURES

(a) General.

(1) The purpose of the review is to determine if the taxpayer is in compliance with the written agreement (herein referred to as contract) with the Governor's Office of Business and Economic Development (GO-Biz) with respect to the California Competes Tax Credit as set forth in Revenue and Taxation Code section 17059.2 / 23689.

(2) In general, the review of the contract must be completed in a timely manner to allow Franchise Tax Board to provide timely information that the taxpayer is, or is not, in substantial compliance with the contract. A review of a contract may take place once or multiple times depending on the terms of the contract. Franchise Tax Board in consultation with GO-Biz will determine the timing and frequency of the reviews. To facilitate the timely and efficient completion of a review and contract compliance or non-compliance to GO-Biz, the taxpayer should have the expectation that the a review of the contract would be conducted in a manner so that a resolution will be achieved within a one-year period commencing with the date of "initial contact" as subsequently defined. This timeframe is a guideline only and reviews may be completed in a shorter or longer time period depending on the facts and circumstances.

(3) Power to Examine. Notwithstanding the fact that these reviews are not an audit of a tax return; Franchise Tax Board has the power to examine the books and records of the taxpayer to ensure that the taxpayer is in compliance with the contract as set forth in Revenue and Taxation Code section 17059.2(d) / 23689(d). Franchise Tax Board maintains its power to examine or review the contract for compliance in accordance with Revenue and Taxation Code section 19504 as applicable to the review of the contract.

(4) Taxpayer's Duty to Respond. A taxpayer or the taxpayer's representative has the duty to make a timely response to requests for information or documents by the Franchise Tax Board that are relevant and reasonable or provide an explanation as to why additional time is necessary to respond or state why the request is not relevant or reasonable.

(5) Duty of Franchise Tax Board Staff. Franchise Tax Board staff has the duty to:

(A) Conduct the review of the contract in a reasonable, practical manner consistent with applicable federal and California law.

(B) make relevant and reasonable information requests for the contract terms or milestones under examination as provided for in Revenue and Taxation Code section 19504.

(C) timely analyze information received or responses submitted and to request additional relevant information.

(6) Duty to Maintain Records. Generally, it is the taxpayer who will be in possession or control of the necessary information, documents, books and records and who will have the knowledge regarding the circumstances of the relevant activities related to its

business and the terms of the contract. The inability, or failure, of a taxpayer to supply requested relevant information in support of the contract terms under review, may result in FTB notifying GO-Biz that there is a possible breach. A taxpayer has a duty to maintain relevant records and documents pursuant to normal accounting or regulatory guidelines set forth in the Revenue and Taxation Code or the Internal Revenue Code as applicable contract items under review. The Franchise Tax Board recognizes that taxpayers are sometimes not able to respond to each and every request for information. The auditor should work with the taxpayer to resolve difficult information requests.

(7) Application of Time Limits. These guidelines are intended to provide for an orderly process that leads to a quick conclusion to the Review.

(A) The Franchise Tax Board recognizes that some Information Document Requests can be responded to in less than 20 days while other responses will require time in excess of 20 days. The auditor has discretion to take into account the taxpayer's facts and circumstances in establishing the original response time or to allow reasonable extensions of time to respond.

(B) The auditor shall take into account responses to Information Document Requests received after the established date for a response, provided that Franchise Tax Board has not notified GO-Biz of a possible breach.

(b) Reviews.

(1) Type of Review. The Franchise Tax Board staff will determine if the review will be a field review or a desk review based on the size of the business, dollar amounts involved and complexity of the contract terms and which type of review will be more conducive under the circumstances. The taxpayer may offer input on the determination of the type of review for the Franchise Tax Board staff to consider.

(2) Field Review.

(A) Definition of "Field Review". A "field review" is a review that takes place at the taxpayer's residence, place of business or some other location that is not an office of the Franchise Tax Board. For field reviews, "initial contact" is the date of the first meeting between the taxpayer and/or the taxpayer's representative and a member of the Franchise Tax Board audit staff.

(B) Location of Field Review. A field review will generally take place at the location where the taxpayer's original books, records, and source documents pertinent to the review are maintained. In the case of a sole proprietorship or business entity, this will usually be the taxpayer's principal place of business. Field reviews can be moved to a Franchise Tax Board office, or the taxpayer's representative's office, if the taxpayer (or the taxpayer's representative) does not have the appropriate work area available or as circumstances of the taxpayer (or the taxpayer's representative) warrant.

(C) Site Visitations. Regardless of where the review takes place, the Franchise Tax Board staff may visit the taxpayer's place of business or residence to establish facts that can only be established by direct visit, such as asset verification. The Franchise Tax Board staff generally will visit for these purposes on a normal workday of the Franchise Tax Board during normal business hours.

(D) Requests by Taxpayers to Change Place of Review. The Franchise Tax Board staff will consider, on a case-by-case basis, written requests by taxpayers or their representatives

to change the place that the Franchise Tax Board has set for a review. Reasonable requests to move a review to another of the taxpayer's offices or to the taxpayer's-representative's office will be granted unless doing so would impose an unreasonable burden to the Franchise Tax Board staff or significantly interrupt the review schedule.

If the taxpayer requests that the review be conducted at a Franchise Tax Board office, or the taxpayer's-representative's office, it is the taxpayer's responsibility to deliver all books and records necessary for the review.

(3) Definition of "Desk Review". A "desk review" is a review conducted primarily through mailed correspondence. For desk reviews, "initial contact" is the date of the first letter to the taxpayer regarding the review.

(4) Time of the Review. It is reasonable for the Franchise Tax Board to schedule the day or days of the review during a normally scheduled workday or workdays of the Franchise Tax Board, during the Franchise Tax Board's normal business hours. It is reasonable for the Franchise Tax Board to schedule reviews throughout the year, without regard to seasonal fluctuations in the businesses of particular taxpayers or their representatives. However, the Franchise Tax Board will work with taxpayers or their representatives to try to minimize any adverse effects in scheduling the date and time of the review.

(5) The following procedures may be used either in field or desk reviews depending on the nature of the review.

(A) Opening Conferences. Items to be discussed during the opening conference include, but are not limited to, estimated timeframes to complete the review, the scheduling of future review appointments, discussion of the contract items under review information document requests, and photocopying.

At the opening conference or via mail if no opening conference is held, the auditor shall provide a written document stating the name and phone number of the audit supervisor or manager.

(B) Review Plan. A written review plan may be drafted as appropriate, if agreed to by the auditor and the taxpayer, documenting key dates related to conducting the review, identifying key points of the review, or identifying other items discussed during the opening conference. The review plan should be signed by the auditor and either the taxpayer or the taxpayer's representative. The review plan is considered a guideline for conducting the review and can be amended as circumstances warrant.

(C) Information Document Request (IDR). The Franchise Tax Board may provide a taxpayer an Information Document Request (IDR) requesting single or multiple documents. As a general rule, response times shall be determined on an IDR-by-IDR basis with a maximum response time of 20 days from the date the IDR was hand-delivered to the taxpayer or the taxpayer's representative by the auditor or the date mailed by the auditor.

1. As a general rule, where a reply by the auditor is appropriate or the auditor needs additional information, the auditor will notify the taxpayer or the taxpayer's representative within 20 days of the auditor's receiving the response to the IDR.

2. Failure to provide a timely and complete response to a request from the Franchise Tax Board for additional information may result in notifying GO-Biz that there is a possible breach. Before informing GO-Biz of a possible breach the auditor will exercise

discretion in a reasonable manner that is appropriate under the relevant circumstances related to that particular review.

(D) Photocopying. The Franchise Tax Board has the authority pursuant to the provisions of Revenue and Taxation Code section 19504, to require either the submission of relevant photocopied documents, or that relevant information be made available for photocopying, scanning or other electronic reproduction at a specified time and place for the purposes determining compliance with the agreement with GO-Biz.

Photocopying is a benefit to both the Franchise Tax Board and the taxpayer as the photocopy provides objective evidence supporting a contract term under review.

(E) Review Conferences. Conferences may be held as necessary throughout the review to discuss the status of IDRs or to discuss findings and to ensure that the review is on track to finish in a timely manner.

(G) Closing the Review: At the conclusion of the review, a closing conference may be held at the discretion of the auditor. If held, items discussed will generally include an explanation of the auditor's findings and recommendation to GO-Biz.

(H) Closing Letters. At the close of a review, the auditor will notify GO-Biz and the taxpayer or the taxpayer's representative of the results of the review:

(1) If the review finds substantial compliance with the agreement, a letter to this effect will be sent to the taxpayer or taxpayer's representative. The auditor will also notify GO-Biz of its findings.

(2) If the auditor determines there is a possible breach, the auditor will notify GO-Biz and provide detailed information regarding the basis for that determination as required by Revenue and Taxation Code section 17059.2(d)(2)(B) / 23689(d)(2)(B). The auditor will also notify the taxpayer or taxpayer's representative of these findings.
