

CALIFORNIA SMALL BUSINESS COVID-19 RELIEF GRANT PROGRAM

PROGRAM OVERVIEW

The California Small Business COVID-19 Relief Grant is administered by CalOSBA through a competitive bid award to its intermediary, Lendistry, and its statewide network of community-based lenders and partners. The State of California allocated \$500 million for the program to support small businesses and nonprofits impacted by COVID-19.

Round 1 was held December 30, 2020 through January 13, 2021.

For application eligibility and selection criteria, visit CAReliefGrant.com

The California Office of the Small Business Advocate (CalOSBA) supports economic growth and innovation and *ensures that ALL California small businesses and innovative startups have the information, resources and direct support they need to better navigate resources, programs and regulations.* CalOSBA serves as the voice of small business, representing their views and interests across the state and advocating for equitable access to capital, markets, and networks so that all California small businesses successfully start, manage, grow and become more resilient.
