**Errata #1** – On March 14, 2025, the following changes were made to the RII Implementation Phase RFP:

- Page 5, under Program Information:  
“Project clusters are defined as between three and eight aligned and interconnected projects (construction and/or non-construction) organized under a singular vision to grow ~~a specific~~ **one** tradable sector (as identified in the “Accelerate” or “Bet” categories within the State Economic Blueprint) in a regional economy(ies).”
- Page 5 & 6, under Program Design, Phase 1: Regional Coalition and Project Cluster Selection:  
“The lead entity will be required to include a letter from the associated regional Convenor(s) (if the project(s) are anticipated to support multiple regions a letter is required from the Convenor(s) in each associated region) **as part of the Pre-Application**, confirming that the target sector aligns with their Jobs First Regional Plans.”
- Page 18, Under “Notice of Intent”: “An eligible lead entity representing a project cluster must submit a Notice of Intent outlining the targeted sector and ~~the list of projects represented in the cluster~~ **the region(s) anticipated being included in the cluster**. Any lead entity is eligible to submit a maximum of one Notice of Intent in each review cycle. ~~To maximize coordination within a sector, a Notice of Intent will be accepted for one project cluster for each target sector in a region.~~”
- Pages 19-20, Pre-Application Questionnaire: “Teams of reviewers will score and rank the pre-applications questionnaires that are received and meet eligibility criteria. **Only those applications that score in the top tier, are deemed meritorious, and are in the best interest of the state will be invited to submit a Full Application.**”
